John:

During the deposition of Karen Szymanski on July 10, 2006, she mentioned that Toys R Us had created 2 separate studies of the characteristics/demographics of the people who visited the Times Square Store. I asked you on the record to please obtain copies of those studies and provide them to me. Please let me know by noon on Monday the status of your efforts to obtain the copies and a date certain when I can expect to receive them.
